

JACCAAlerts

Do you often find yourself getting so busy you forget about a ribbon cutting or a networking event at the Chamber? Want to know everything that is going at YOUR Chamber? If you answered YES to any of these questions, JACCAAlerts can help!

Follow these simple steps to choose which JACCAAlerts you receive via text messages. JACCAAlerts are sent one hour prior to the event start time. You can opt out of JACCAAlerts at any time in the Members Only area of Joplincc.com or simply by replying "STOP" when you receive a message.

Step 1. Log in to Members Only area on Joplincc.com or simply use this QR code to access Members Only.

Step 2. Choose "Login" on Joplincc.com.

Step 3. Choose "Member Representative Account" and enter your user name and password. If you do not know that information, simply click on the "Forgot Login" link and you will receive an email with that information.

Step 4. Once you log in, navigate to the "Address" tab. Enter your mobile number in Phone 2 if it isn't already there, and choose "Mobile, Opt-in Text Alerts" in the drop down box. Click Save.

Step 5. Next navigate to the "Options" tab and choose which categories you would like to receive.

Step 6. Click Save and sign out. If you have any trouble, simply call 417.624.4150 and Lea will help you with the process.
