

A new approach to medical plans for small employers

The Missouri Chamber of Commerce and Industry (MCCI) and the Missouri Chamber Federation (MCF) have teamed up with Anthem Blue Cross and Blue Shield in Missouri to create a health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer eligible employees.

This self-funded medical offering called the MCF Benefit Plan is a multiple employer welfare arrangement (MEWA). MEWAs enable smaller employers to join together to share in the overall claims risk. By being part of a larger, self-funded pool, employers have financial protection backed by Anthem's stop loss coverage.

In addition to financial protection, this innovative alternative offers:

- Competitive medically underwritten rates
- Fixed, predictable monthly payments
- A variety of plan designs, including 10 PPO and three HSA options
- Anthem's Blue Access, Blue Access Choice, Blue Preferred networks and Traditional Open formulary
- Coverage for claims run-out / terminal liability coverage
